- As a lifetime member, you can transfer your lifetime membership to a family member, spouse, or close friend if God forbid something happens to you. You will need to make these arrangements with your legal counsel and or whoever oversees your estate or will.

TTG LIFETIME NFTs:

- **WHAT IS THE FLOOR PRICE OF THE TTG LT NFT?**
 - The floor price of each Lifetime NFT will be the ETH equivalent to the total the member has paid to True Trading Group.
- **WHAT IS THE TTG LIFETIME NFT UTILITY?**
 - The owner of the TTG LT NFT will have full & immediate access to the True Trading Group Lifetime Membership.
- **CAN A TTG LIFETIME MEMBER RE-SELL THEIR TTG LIFETIME NFT?**
 - Yes, any member can sell their TTG Lifetime NFT to anyone they want. The price of the TTG Lifetime NFT will be sold at a minimum of the NFT's floor price and or the price the member paid to TTG in total, but that is just the minimum & can sell for higher.
 - The LT member would need to let True Trading Group know that the NFT is listed and where. If the LT member sells the NFT for less than the floor price the utility will not be honored and the existing member's lifetime membership will be canceled without a refund.
 - Once an existing LT member sells their TTG LT NFT they are no longer an LT Member of TTG & all utility passes to the new owner.
- **WHAT HAPPENS IF MY NFT IS STOLEN?**
 - Unfortunately, there is NO WAY to "un-mint" an NFT but we can take away that NFT's utility and mint a new NFT and transfer it to you. By removing the utility from the stolen NFT essentially makes the NFT no more valuable than a jpeg file.
- **DOES TTG COLLECT A ROYALTY FROM EACH SALE OF THIS NFT?**
 - Yes. Every time a member sells their NFT True Trading Group will receive 10% from every sale.
