Refund Policy: Our Commitment to Value

We stand behind the quality and value of our boot camps with such confidence that we offer a 100% money-back guarantee. If you've completed the boot camp, whether by attending live or through the recording, and genuinely feel that you received no value and that it was not worth your time or investment, we will refund your full payment, no questions asked.

Please note: *That this guarantee is applicable only to those who have completed the boot camp. It does not apply to those unable to attend the live event and or those not able to benefit from reasons not related to True Trading Group. We're committed to providing an enriching experience and this policy is our pledge to meet your expectations of value and quality.*

Please note: *True Trading Group's boot camps, accelerators, and enrichment programs are exclusively designed for the registered participant and, as such, are non-transferable. Once purchased, these programs cannot be switched or exchanged, ensuring a dedicated and personalized learning experience for each individual trader.*
